

# Tevera Accessibility Conformance Report

## WCAG Edition

(Based on VPAT<sup>®</sup> Version 2.4)

**Name of Product/Version:** Tevera

**Product Description:** Tevera elevates higher education programs by optimizing assessment management and field experience. Students and alumni grow toward professional goals and programs gain performance insights to drive continuous improvement, all in one comprehensive platform.

**Report Date:** August 14, 2023

**Contact Information:** [info@tevera.com](mailto:info@tevera.com)

**Notes:** This document has been completed based on the current tested and specified functionality of the named Application. The evaluation was conducted by an external consultant of Pure Accessibility LLC, Certified Professional in Accessibility Core Competencies (CPACC) by the International Association of Accessibility Professionals.

**Evaluation Methods Used:** Conformance to the listed accessibility standards has been evaluated using manual testing. The accessibility testing includes (i) semi-automated scans, (ii) human judgment tests such as tool-assisted tests and visual inspection (iii) testing with assistive technology.

## Applicable Standards/Guidelines

This report covers the degree of conformance for the following accessibility standard/guidelines:

Standard/Guideline	Included In Report
<a href="#">Web Content Accessibility Guidelines 2.0</a>	Level A (Yes) Level AA (Yes) Level AAA (No)
<a href="#">Web Content Accessibility Guidelines 2.1</a>	Level A (Yes) Level AA (Yes) Level AAA (No)

## Terms

The terms used in the Conformance Level information are defined as follows:

- **Supports:** The functionality of the product has at least one method that meets the criterion without known defects or meets with equivalent facilitation.
- **Partially Supports:** Some functionality of the product does not meet the criterion.
- **Does Not Support:** The majority of product functionality does not meet the criterion.
- **Not Applicable:** The criterion is not relevant to the product.
- **Not Evaluated:** The product has not been evaluated against the criterion.

## WCAG 2.1 Report

Note: When reporting on conformance with the WCAG 2.1 Success Criteria, they are scoped for full pages, complete processes, and accessibility-supported ways of using technology as documented in the [WCAG 2.1 Conformance Requirements](#).

## Table 1: Success Criteria, Level A

Criteria	Conformance Level	Remarks and Explanations
<a href="#">1.1.1 Non-text Content</a> (Level A)	Supports	Tevera supports text alternatives for the most non-text content, including controls, input, sensory content and images.
<a href="#">1.2.1 Audio-only and Video-only (Prerecorded)</a> (Level A)	Not Applicable	There is no audio or video-only content available in Tevera.
